

Trust Board Meeting 12 February 2015

Title of the paper:	Integrated Performance Report	
Agenda item:	09/24	
Lead Executive:	Lisa Emery, Chief Information Officer	
Author:	Lisa Emery, Chief Information Officer	
Trust objective:	Tick as appropriate: <input checked="" type="checkbox"/> Achieving continuous improvement in the quality of patient care that we provide and the delivery of service performance across all areas; <input type="checkbox"/> Setting out our future clinical strategy through clinical leadership in partnership and with whole system working; <input type="checkbox"/> Creating a clear and credible long term financial strategy.	
Purpose:	The aim of this paper is to provide a report on the Trust's performance against the key performance indicators, highlight any exceptions and provide details of remedial action plans. The report is developed in conjunction with the Trust Development Authority Self-Certification return and Board Statements.	
Previously discussed and date for further review:		
Committee		Date
Trust Leadership Executive Committee		29 January 2015
Benefits to patients and patient safety implications Continues improvement in the quality of care overall improves the service to the patient		
Risk implications for the Trust Failure to deliver satisfactory performance against targets will result in lower Trust Development Authority and DH performance ratings for the Trust. Failure to deliver satisfactory performance against some targets will result in financial penalties to the Trust. Failure to deliver activity as commissioned will lead to lower than forecast income levels.		Mitigating actions (controls) Performance monitoring continues by the Executive team and Trust Leadership Executive Committee ensuring remedial action is undertaken as required. External scrutiny and reporting by exception is made to the Herts Valleys Clinical Commissioning Group and the Trust Development Authority.
Links to Board Assurance Framework, CQC outcomes, statutory requirements Links to BAF risk references 2766,1512,2719,2722,2596 and 2598. CQC Outcome 16 Assessing and monitoring the quality of service		
Legal implications (if applicable) None		
Financial implications (if applicable) Failure to deliver satisfactory performance against some targets will result in financial penalties to the Trust. Failure to deliver activity as commissioned will lead to lower than forecast income levels.		
Recommendations (delete as appropriate) To note the areas of delivered standards of patient care and service areas of under performance. To note the addition from this month of an executive summary and a 12 month trend line for each indicator (excluding Finance). To note that from March, the integrated performance report will include a data quality indicator and key.
